

**Goodwill Auto Auction takes the health of our staff and customers very seriously. If you are concerned about the risk for yourself or loved ones, please consider staying home. If you think you've been exposed to someone infected, or think you may be ill, please self-quarantine. Customers are strongly encouraged to wear masks.**

To reduce risk of exposure and spread of disease, we will be making the following changes to our procedures for the foreseeable future:

- One person per bid ticket will be allowed in the auction area and office. No additional family or friends; no observers.
- We have opened registration to include Friday between 9am and 4pm, as well as Saturday before the auction begins.
- We will limit the number of people allowed in the office to register at any one time. We ask that you arrive as early as possible -don't wait until the last minute to register. While waiting, maintain a 6 ft distance in the public areas at all times.
- Between registration and when the auction starts, you will have to wait outside the office. Again, 6 ft social distancing must be kept.
- Since your time in the office will be drastically limited, we recommend you dress appropriately for the weather. We are not currently auctioning any cars indoors – the entire auction is outside in the lot.
- If you win a bid, paperwork will be done as usual; however, you will have to wait outside until your number is called. Social distancing will be maintained in the office area and outside.
- Employees are required to wear masks. Plexiglass guards have been installed, and a hand sanitizer station is available for all.

**We all need to work together to minimize risk. We appreciate your cooperation.**
